

MAKE MY DAY
CAMPAIGN

Young Malaysian students,
lawyers, members of parliament
and civil society activists are
being charged under the
Sedition Act 1948.

Bersih 2.0 stands in solidarity with these Malaysians, and the many others who have voiced shock and dismay at how this legislation is being used to stifle freedom of expression.

We encourage all Malaysians to show their support for the campaign to repeal the Act by uploading a photo or video with a caption “Make My Day”.

STEP 1

Write the slogan “Make My Day”
in the most creative way possible.

(You can also act, sing or dance with the same theme)

Don't forget to add hashtag
#MansuhAktaHasutan

STEP 2

Take a photo or video
and upload it to BERSIH2.0
Facebook page.

STEP 3

Challenge 3 friends
to do the same.
